## Your investment pays dividends to Our community and water resource

---

Founded in 1969, the Green Bay Chapter of Trout Unlimited works to conserve, protect, restore, and reconnect our communities and the coldwater resources throughout northeastern Wisconsin. Our targeted efforts improve the quality of trout streams and habitats degraded by natural events and poor human management practices. We concentrate on physical stream reclamation and restoration projects, public water access and youth education with outdoor experience opportunities.

---

An action organization, we dedicate ourselves to the resource with:  
Time, Money, Youth education, Manual labor and Research.

---

**Time:** Thousands of volunteer hours are logged each year

**Money:** \$2,875: Two person DNR Habitat/Brushing Crew Antigo DNR, 2014

\$2,500: Two person DNR Habitat Crew Wild Rose DNR, 2014

\$1,500: Fisheries Tech US Forest Service, 2014

\$2,000: Beaver Management U.S Forest Service, 2014

\$1,200: Stream Temperature Monitoring , 2014

\$5,700: Spring pond dredging with Peshtigo DNR, 2014

**Youth Sponsorship and Education:**

- ◇ Annually sponsor campers to Sand Lake Youth Conservation Camp
- ◇ Kid's fishing Day with disadvantaged youth for over 20 years
- ◇ Conservation Education Trail at NEW Zoo

**Active Conservation Work:**

- ◇ Four in-stream work projects held annually throughout N.E. Wisconsin including work on the Oconto River

**Scientific Research:** Floy-Tag Trout Study with DNR in Lower Oconto River

**2015 Conservation Funding:**

- ◇ Contributions to easements to allow for increased stream access
- ◇ \$12,500 funding to stream restoration here in N.E. Wisconsin
  - ◇ \$9,000 for Peshtigo area stream restoration
  - ◇ \$2,000 for Antigo area stream restoration
  - ◇ \$1,000 for NE Regional Trout Coordinator
- ◇ Informational and Recreational events for the entire community

*Conserving, protecting, restoring and reconnecting North America's coldwater fisheries and watersheds*
